► DESCRIPTION

The 6951 hand wash sink is a commercial grade sink used in "High Abuse" applications. This sink is a wall mounted sink constructed of 14 gauge type 304 stainless steel. The unit is seamlessly welded to form a one-piece unit. The sinks incorporate 3/4" radius corners for easy cleaning. The sink is 12" deep with a die stamped bottom for positive drainage. The backsplash is 12" high with a 2" flange returned to the wall. The faucet holes are 1-1/2" on 8" centers. The front and side of this sink has 1-1/2" rolled rims. Overall the sink is 24" x 20" (610mm x 508mm).

► INSTALLATION

This unit is mounted with a standard "Z" clip and two (2) matching stainless steel brackets securing the fixture to the wall. For additional support, the optional "A236 Cast Iron P-Trap, 2" IPS Outlet" is recommended. Mounting hardware for the hanger clips is not provided with the fixture.
